DURBAN HIGH SCHOOL has a **proud** and **unequaled** position in South African Cricket – this is a short record of the names, records, achievements and facts of the many D.H.S. boys who have gone on, from School, to represent South Africa and other teams at various levels.

### INDEX and EXPLANATORY NOTES:

**NOTE:** These Statistics have been compiled by David Richard Bennett (D.H.S. 1964-1966) The main emphasis is on those **Durban High School** boys who have represented South Africa as Springbok and /or “Protea” cricketers. These statistics have been compiled from Official Records, and are thought to be correct, immediately prior to the World One Day International Cricket Cup in February / March 2015, and are current as at **8 February 2015**. There are additional statistics for those **Durban High School** boys who have represented their Country in the South African Schools / U19 teams. And finally there are statistics for **Durban High School** boys in **FIRST CLASS** cricket, for various local and overseas provincial, county and state teams. The first class records shown is by no means an exhaustive list, as many **D.H.S.** boys have represented such teams. The compiler of this list would be happy to include any boys who HAVE played first class cricket, but are not included on the list, subject to the appropriate Qualification levels. And, finally, if there are any errors or omissions then kindly contact David Bennett – Email: [david@burvest.com](mailto:david@burvest.com) and I will endeavour to correct the details / lists, if warranted.

### **Section One A:**

#### **The TOP FIVE SOUTH AFRICAN cricketing schools:**

This is a simple statement of fact. There can be no argument when looking at the figures: Taking the number of D.H.S. boys who have represented South Africa at TEST, O.D.I., T20, and S.A. Schools level, then **DURBAN HIGH SCHOOL** is certainly the **MOST SUCCESSFUL South African School** in this regard. HERE is a short list of the top FIVE South African Schools:

<u>School</u>	<u>Combined Number of Representatives*</u>
<b>DURBAN HIGH SCHOOL</b>	<b>67</b>
King Edward VII School (Johannesburg)	63
Grey High School (Port Elizabeth)	61
Bishops (Cape Town), and	59
Grey College (Bloemfontein)	48

(\* ) Combined means the number of boys selected for South Africa in full Test matches; O.D.I. matches; "T20" games and for S.A. Schools. (S.A. U19 is not included, as no reliable listing is available).

### **The D.H.S.O.B. XI - CENTENARY CRICKET MATCH**

**FURTHER NOTES:** (by David Bennett)

- The Match was played on the **D.H.S.O.B. Club** main Oval, on 19 / 20 March **1966**. The D.H.S.O.B. XI batted second and suffered a first innings deficit of 64 runs in favour of the Natal XI even though **RichardDumbrill** had hit a great century (114) in a partnership of 127 with **Lee Irvine**. On the second day, the Old Boys team were then set a second innings target of 188 runs to make in 150 minutes to win. The D.H.S.O.B. XI managed the runs in just 107 minutes, thus winning the match by three wickets.

**Goddard, Gamsy, Richards** and **Irvine** would later play for SA against Australia in 1970 and so the D.H.S.O.B. XI of 1966 contained FIVE Springboks, ( **Goddard; Hugh Tayfield; Griffin; Dumbrill** and **Wesley**) and three others, **Gamsy,Irvine** and **Richards** who were later to become Springboks (making EIGHT in all). And **Arthur Tayfield** had been 12th Man for South Africa. There were THREE men in the D.H.S.O.B. team who were wicketkeepers at a high level: **Gamsy; Irvine** and **Kaplan**.

The "**Rest of Natal XI**" – captained by Jackie McGlew contained FOUR Springboks, namely Jackie McGlew; Peter Carlstein; Mike Proctor and Pat Trimborn. In addition, McGlew's team contained a further two D.H.S.O.B. Natal cricketers, who were not selected for the School Centenary XI. They were **Charles Sullivan** and **PeterMarais**. And so of the twenty two players in the match, thirteen were D.H.S. Old Boys, and a total of fourteen, if we include **Arthur Tayfield**.

### **Section One J:**

#### **SOME INTERESTING RECORDS, FACTS and STATISTICS achieved by D.H.S. Cricketers in TEST and in FIRST CLASS Cricket.**

**NOTE:** Only the names of **D.H.S. boys** are in **BOLD type** in these notes.

- 1] The following **six** men have represented SOUTH AFRICA in ONE DAY INTERNATIONAL (O.D.I.) Cricket: Hashim **AMLA**; Dale **BENKENSTEIN**; Jon **KENT**; Lance **KLUSENER**; Mike **RINDEL** and Richard **SNELL**.

Hashim **AMLA** and Tyrone **HENDERSON** have played “T20” cricket for South Africa.

OTHER S.A. Schools who have produced some T20 “Protea” cricketers include: Grey College (Bloemfontein) (5); King Edward VII School (4); Grey High School (P.E.) (3) and D.H.S. (2). Most other S.A. Schools have just one or two T20 South African representatives.

-----

- 2] **CAPTAINS:** South Africa has been captained in Test Cricket by no fewer than FOUR D.H.S. Boys: Hashim **AMLA**; “Nummy” **DEANE**; Trevor **GODDARD**; Herbie **TAYLOR**.
- 

- 3] **WICKETKEEPER** for South Africa: Dennis **GAMSY**.
- 

- 4] Hashim **AMLA** has represented South Africa at almost every important level: S.A. Schools; S.A. U19 (Captain); S.A. XI; S.A. “A”; S.A. T20; S.A. O.D.I.; S.A. Test team (Captain), and the World O.D.I. XI.
- 

- 5] Although Eric **DALTON** was primarily a batsman, he also bowled, taking 12 wickets in Tests - including the wicket of the great Englishman, Wally **HAMMOND**, no less than FOUR times. Eric **DALTON** was a “double Springbok” having also played golf for South Africa. He was the S.A. Amateur Golf Champion in 1950.

- 
- 6] Geoff **GRIFFIN** was the first (and only) South African to take a **HAT-TRICK** in test cricket, and he was also the first player to do so at the Lords Cricket Ground (1960). **Griffin** also represented Rhodesia at field hockey.
- 
- 7] Jon **FELLOWS-SMITH** played both cricket and rugby for Oxford University. "Fairless" **NICOLSON** also played cricket for Oxford. (It should be noted that in some reference sources he has the alternate spelling of "Nicholson")
- 
- 8] Imraan **KHAN** represented S.A. Schools; S.A. U19; S.A. "A" and S.A. Test teams.
- 
- 9] Lance **KLUSENER** represented S.A. at ODI and Test level; and also a World XI and the S.A. "Masters" team, and a World T20 XI.
- 
- 10] Claims by other Schools: Some boys have attended more than one School. For example, Herbie **TAYLOR** and Dale **BENKENSTEIN** attended both D.H.S. and Michaelhouse School. Sid **PEGLER** also attended K.E.S. (JHB.). Jon **VANDIAR** went to Glenwood High School, before attending D.H.S. Nick **COMPTON** was a D.H.S. boy, who later attended Harrow School, in England. (There are also a few others).
- 
- 11] D.H.S. boys who have represented the famous "**M.C.C.**": Sid **PEGLER**; George **SHEPSTONE**; Herbie **TAYLOR** and Dale **BENKENSTEIN** have all played for the M.C.C.
- 
- 12] Herbie **TAYLOR** was also a war hero, having been awarded the Military Cross in the Great War, 1914 – 1918.
- 
- 13] **SOUTH AFRICAN UNIVERSITIES**: The following D.H.S. boys are known to have represented the S.A. Universities Team: Mike **CLARE**; Richard **DUMBRILL**; Dennis **GAMSY**; Grayson **HEATH**; Jack **KAPLAN**; Peter **MARAIS**; Mike **MELLOR**; Richard **SNELL** and Tich **WESLEY**. Jack **KAPLAN** was also Captain of S.A. Universities.  
(Please note: This list may be incomplete).
- 
- 14] Playing for the M.C.C. against Wales in 1930, Sid **PEGLER** decimated the Wales batting line-up, taking 4/14 and 6/62 for figures of 10/76 in the match.
- 
- 15] Dale **BENKENSTEIN**, B.C. **COOLEY** and Mike **RINDEL** were all selected for South African touring teams, but were un-capped at Test level. **BENKENSTEIN** and **RINDEL** did both however, represent South Africa at One-Day International level, and were **Gold Medal** winners at the 1998 Commonwealth Games. (See also Note 41)
- 
- 16] Were it not for their Test careers having been curtailed by the isolation of South African cricket in the late sixties, and early 70s, Barry **RICHARDS** (with a test average of **72.57**) and Lee **IRVINE** (with a test average of **50.42**) may have been amongst the great test players for South Africa. **RICHARDS** played **339** first class games, scoring **28,358** runs, a **HS of 356** and he scored **80**centuries and **152**half-centuries and had a first-class average of **54.75** over his very distinguished career. **IRVINE** played in **157** first-class games, scored **21**centuries, **46** half centuries and a

**HS of 193**, with **9,919** runs at an average of **40.48** – remembering that he was a wicket-keeper batsman. Barry **RICHARDS** is considered by many experts to have been the most “technically correct” batsman, **ever**, of **ANY** country. Perhaps the highest compliment came from the greatest player ever, Sir Donald BRADMAN, who described **RICHARDS** as "the world's best-ever right-handed opener". He backed that up by including **RICHARDS** in his best ever team, published after his (Bradman’s) death. Barry **RICHARDS** has also played for the S.A. Masters XI.  
(See also notes 19 and 39)

---

**17]** **B.C. COOLEY** was selected to tour with the South African Test team to England in 1901. He remained uncapped on the Tour, but did represent South Africa against an M.C.C. team, which included the famous W.G. Grace, at Lords in June 1901. But the match was not considered an “official” test. In 1924/25, **V.C. ROBBINS** was selected to play for South Africa against S.B. Joel’s XI (captained by Lord Tennyson). This was also not an “official” test match.

---

**18]** One of the leading D.H.S. cricketing families was the **TAYFIELD** family. They were brothers **Hugh**, **Arthur** and **Cyril**; and **Ian**, a cousin. **Hugh** played **37 tests** for South Africa. **Arthur** was 12<sup>th</sup> Man in a Test for South Africa, but was uncapped. **Arthur**, **Cyril** and **Ian** all represented S.A. Schools. Whilst still a schoolboy, **Arthur** was selected for the **NATAL** team who played the touring M.C.C. in 1948/9. Between the four **TAYFIELDS**, they played **317** first class cricket matches, scoring a combined **7,771** runs, taking a combined **1,137** wickets. And they all performed well. **Hugh** had a highest score of **77** with best bowling of **9/113**; **Arthur** had a HS of **205** and BB of **6/75**; **Cyril’s** HS was **112** with BB of **4/27** and finally, **Ian’s** HS was **86** with **6/30**. All these figures are at either Test or at First Class level. And of course there is also the **BENKENSTEIN** family, where **Dale** played O.D.I. Cricket for South Africa, and his brothers, the twins **Boyd** and **Brett** who were both First Class players.

---

**19]** **DURBAN HIGH SCHOOL** has the unique distinction of having **FIVE PLAYERS** in a **TEST** team for South Africa – AT THE SAME TIME. It was the Second Test, vs England, at Lords Ground in June 1960. The five were: **GODDARD**, **WESLEY**, **FELLOWS-SMITH**, **TAYFIELD**, **H.** and **GRIFFIN**. In perhaps what many regard as South Africa’s greatest test team ever – the Springbok team of 1970 (who thrashed the touring Australians 4 – 0), South Africa was also well represented by **DURBAN HIGH SCHOOL**. In the First and Second Tests, 1970 there were **FOUR D.H.S. boys** in the Team - **RICHARDS**, **GODDARD**, **IRVINE** and **GAMSY**. Barry **RICHARDS** scored **140** in the Second Test in Durban, with the great Graeme Pollock making his famous 274. Trevor **GODDARD** returned match figures of **51** Overs; **26** Maidens; **68** Runs and **4** Wickets in the Third Test. This proves, at **1.33 runs per over**, just how difficult it was to get runs off **GODDARD**. Both **RICHARDS** and **IRVINE** scored centuries in the 4<sup>th</sup> Test, 2<sup>nd</sup> innings. (See also notes 16 and 39).

**20]** **Nick COMPTON** – who went on to play for England, is the grandson of one of England’s greatest batsmen, the famous Denis Compton.

- 
- 21] Jack **SIEDLE** and “Fairless” **NICOLSON**, both **D.H.S.** boys (and both Springboks) when playing for Natal vs. Orange Free State (1926-27 season) still hold the South African record, and also the World all-time 14<sup>th</sup> **HIGHEST FIRST WICKET PARTNERSHIP** record of **424** runs.
- 
- 22] Nick **COMPTON (D.H.S.)** and J.C. Hildreth, playing for Somerset vs. Cardiff at Taunton, in 2012, hold the World all-time 8<sup>th</sup> **HIGHEST SECOND WICKETPARTNERSHIP** record of **450** runs.
- 
- 23] Dale **BENKENSTEIN (D.H.S.)** and O.D. (Otis) Gibson, playing for Durham vs. Yorkshire, at Leeds, in 2006, hold the World all-time 11<sup>th</sup> **HIGHEST SEVENTH WICKET PARTNERSHIP** record of **315** runs.
- 
- 24] Lance **KLUSENER** was awarded the “**PLAYER of the TOURNAMENT**” for the **1999 World O.D.I. Cup** in England. His batting average in the Tournament was **140.50** and his bowling average was **20.58**. In addition, **KLUSENER** holds the 2<sup>nd</sup> highest score (**83** runs) and the 10<sup>th</sup> highest score (**75\***) in World O.D.I. cricket, for a No. 8 batsman.
- 
- 25] Hugh **TAYFIELD** holds the **BEST TEST bowling figures, in an innings**, by a South African, of **9/113** – which also ranks 16<sup>th</sup> best, all-time in the WORLD for ANY bowler in Tests. Lance **KLUSENER** holds third place (South Africa) for the BEST TEST bowling figures all-time, with his **8/64**, and **TAYFIELD** is again in 4<sup>th</sup> place with **8/69**.
- 
- 26] Hugh **TAYFIELD** is the **THIRD FASTEST South African bowler** (and first for a spin bowler) to take **100 TEST wickets**, in **22 Tests**, behind Vernon Philander (19 Tests) and Dale Steyn (20 Tests). **TAYFIELD** is also the **FIRST SOUTH AFRICAN**, and the 4<sup>th</sup> FASTEST ever, in the WORLD, to reach **150 Test wickets** in 29 tests – equal with the South African fast bowler, Dale Steyn (also 29 tests).
- 
- 27] Hugh **TAYFIELD** holds 8<sup>th</sup> place in **WORLD TEST CRICKET** for the highest total number of wickets (37 wickets) in a five test series, and first for South Africans. Top of the World list is Jim Laker, who took 46 wickets in a five test series. Only Hugh **TAYFIELD** (who did the feat TWICE – 13/165 and 13/192) and Makhaya Ntini (once – 13/132) have ever achieved **13 wickets** (for South Africa) a **TEST MATCH**, placing them on an elite World List, and the best of the South African test bowlers. Hugh **TAYFIELD** is first for South Africa, and **ELEVENTH** highest in the WORLD, for TEST dismissals, Caught and Bowled – with **11** such wickets.
- 
- 28] **Most ECONOMIC BOWLING in TEST HISTORY: TWO D.H.S. bowlers feature very prominently** on the WORLD LIST for TESTS. The **best** South African, and THIRD BEST in World Test cricket is Trevor **GODDARD** with a career economy rate of just **1.64** runs per over. Hugh **TAYFIELD** is the 4<sup>th</sup> best South African, and 23<sup>rd</sup> in the World, with a career Test economy rate of only **1.94** runs per over. Trevor **GODDARD**'s Testbowling economy rate is the BEST, of ANY country, since 1949. In the 1957

Durban Test, against England, **TAYFIELD** bowled **137 consecutive deliveries** (nearly 23 six-ball overs) without a single run being scored against him.

---

29] Trevor **GODDARD** holds the 2<sup>nd</sup> BEST ever (behind “Tufty” Mann with 0.50), figures for TEST ECONOMY bowling rates, for South Africa IN A SINGLE TEST INNINGS.

**Goddard** bowled **16\*** overs; **8** maidens; **12** runs and **2** wickets in the 1957 Test at Port Elizabeth against England, placing him 27<sup>th</sup> WORLD BEST, all-time. This gave him an economy rate of **0.56** runs per over. This feat was done a few times in

TESTS by both Trevor **GODDARD** and by Hugh **TAYFIELD**:

**GODDARD**: 16\* – 8 – 12 – 2 (0.56) vs. England, Port Elizabeth, 1957

**GODDARD**: 17 – 14 – 10 – 1 (0.58) vs. New Zealand, Dunedin, 1964

**GODDARD**: 25.2\* – 15 – 22 – 1 (0.65) vs. England, Johannesburg, 1957

**GODDARD**: 16 – 10 – 11 – 1 (0.68) vs. New Zealand, Wellington, 1964

**TAYFIELD**: 24\* - 17 – 21 – 1 (0.65) vs. England, Durban, 1957, and

**TAYFIELD**: 14\* - 7 – 13 – 6 (0.69) vs. New Zealand, Johannesburg, 1954

**Note** the **6/13** taken by **TAYFIELD** in just 14 overs, with 7 maidens.

**Note**: \* denotes 8 ball overs, converted to 6 ball overs for equal comparison.

---

30] Trevor **GODDARD** was the **FIRST South African** all-rounder to achieve **1000 runs** and **100 wickets** in TEST Cricket chronologically. On this list, Shaun Pollock is second and Jaques Kallis is third. Trevor **GODDARD** is also FIRST in South Africa and 12<sup>th</sup> BEST in TEST Cricket, all-time for his **294 runs** and **26 wickets** in a Five Test series.

---

31] Herbie **TAYLOR** (twice) and Trevor **GODDARD** (four times) are two on a select list of about only 80 players in more than 2,150 Tests played in history who have had the distinction of OPENING both the BATTING and BOWLING for their Country in Tests.

---

32] FIRST CLASS BATTING AVERAGES: For South Africans - in First Class Averages, the great Barry **RICHARDS** is TOP of the list, with an average of **54.74**. Graeme Pollock is second, on 54.67; third is Jacques Kallis with 54.10, followed by Hashim **AMLA** in fourth place on **51.88**. Fifth is A.D. Nourse with 51.53 – just ahead of AB De Villiers at 51.03.

In terms of TEST BATTING AVERAGES for **South Africans**, the list is as follows: Barry **RICHARDS** is **first** on an average of **72.57** (admittedly, he played only in 4 Tests). This would put **RICHARDS** second in the World, only to Don Bradman. Second is Graeme Pollock – 60.97 (and 4<sup>th</sup> in the World) ; third is Jacques Kallis – 55.37 (16<sup>th</sup> in the World); fourth for South Africa, and 21<sup>st</sup> in the World is A.D. Nourse, with 53.81, while Hashim **AMLA** is fifth for South Africa, on **52.78** and the 25<sup>th</sup> World all-time Test Batting Average. These all compare very well, with so-called “batting greats” like Brian Lara – 52.88 and Sachin Tendulkar – 53.78. Lee **IRVINE** also deserves a mention with a Test average of **50.42** in his short test career.

---

33] Hashim **AMLA** has the **HIGHEST TEST INNINGS** for any South African in Tests, having scored **311 not out** against England at the Oval, in 2012. He is the **ONLY** South African to have scored over 300 in Tests, and his **311\*** places him on the ALL-

TIMETEST HIGH SCORE LIST at number **21**. Although Barry **RICHARDS** never had much opportunity to play Test Cricket, he has a FIRST CLASS high score of **356** runs, amongst the **EIGHTY** centuries he scored in his career. This feat however places the mammoth **356** which **RICHARDS** scored at Perth as one of **ONLY** about three dozen cricketers who have EVER scored over 350 in Tests or in First Class cricket. Hashim **AMLA** is the FASTEST South African to score 6,000 Test runs. jointly with Graeme Smith - they both took **128 innings** to achieve this feat.

---

- 34]** In **ONE DAY INTERNATIONAL CRICKET** for players who have played more than 40 matches, Hashim **AMLA** has the **HIGHEST BATTING AVERAGE in the WORLD**, of **ANY** player, with an average of **56.41**. Fifth in the World (O.D.I.) is A.B. De Villiers with 52.16 and Jacques Kallis is 20<sup>th</sup> on the World all-time list on 44.36. These positions include past and present O.D.I. players. In ADDITION, Hashim **AMLA** holds most of the **FASTEST BATTING RECORDS** for reaching the **BATTING** milestones in ONE DAY INTERNATIONAL CRICKET. He is the **FIRST BATSMAN** to reach **2000** runs (**40** innings) (Second place took 45 innings); **FIRST BATSMAN** to reach **3000** runs (**57** innings) (Second place took 68 innings); **FIRST BATSMAN** to reach **4000** runs (**81** innings) (Second place took 88 innings); **FIRST BATSMAN** to reach **5000** runs (**101** innings) (Second place took 114 innings). The speed in which **AMLA** reached these milestones is so far ahead of the second placed ODI batsmen, that it seems unlikely to be equalled for some time. However, Hashim **AMLA** started off a bit slower. He is in only ninth place, **WORLD O.D.I.** All-time to reach **1000 runs**, whilst fellow South African Quentin De Kock is in 4<sup>th</sup> place.

**Note:** The second fastest player, in 45 innings to 2000 runs was Zaheer Abbass. The second fastest player to 3000, 4000 and 5000 runs was Viv Richards, in 69, 88 and 114 innings – far slower than the very fast rate achieved by Hashim **AMLA**.

---

- 35]** In **ONE DAY INTERNATIONAL CRICKET “MAN of the MATCH” awards**, Jacques Kallis is third best in the World, with 32 such awards. Herschel Gibbs is the second South African and 20<sup>th</sup> in the World with 22 awards, jointly with Shaun Pollock also on 22. The fourth South African is A.B De Villiers on 20 awards, and Lance **KLUSENER** is in **fifth spot**, for South Africans, with **19 “Man of the Match”** awards. Hashim **AMLA** has **15** such awards, to date.
- 

- 36]** In **ONE DAY INTERNATIONAL CRICKET “MAN of the SERIES” / “PLAYER of the SERIES” awards**, the best South African, and 3<sup>rd</sup> in the World, all-time, is Shaun Pollock with 9 awards. Hashim **AMLA** is second, in South Africa, and **9<sup>th</sup>** in the World, jointly with Jacques Kallis, each having **6 awards**. A.B. De Villiers is fourth (and fifteenth in the World) with 5 awards, whilst Lance **KLUSENER** is fifth (21 in the World) on **4 awards**.
- 

- 37]** Hashim **AMLA** is FAR and away the **GREATEST ONE DAY INTERNATIONAL** cricketer to date. He was the fastest to reach 2000, 3000, 4000 and 5000 ODI runs, by some margin. In his relatively short career, he has the best batting average (**56.41**) and he has scored **19 O.D.I. CENTURIES** in just **107 matches**. A.B. De Villiers took 179 matches to reach 19 centuries, whilst Brian Lara took fully 299 matches to get his 19 centuries.

-----  
**38]** Sid **PEGLER**, playing for South Africa against Tasmania, on the Springbok tour of Australia, in 1910-11, scored the **THIRD FASTEST FIRST CLASS HALF CENTURY of ALL TIME**, his **fifty** having been made in just **14 minutes**. This record still stands.  
 -----

**39]** Lee **IRVINE** who was at **D.H.S.** with Barry **RICHARDS** were both selected for **S.A. Schools**. Lee **Irvine** played S.A. Schools in 1962, and Barry **Richards** in both 1962 and 1963 – including the S.A. Schools tour to England in 1963. They both went on to play for **South Africa** - against the 1970 Australians. Although Barry **RICHARDS** had a longer and more successful First Class career, Lee **IRVINE** was most certainly the better of the two boys in the D.H.S. First XI in 1962 when Lee **IRVINE** scored **1310** runs in **22** innings at an average of **68.95** and a HS of **150**. The School careers of both **IRVINE** and **RICHARDS**, as well as of Trevor **GODDARD** and Hugh **TAYFIELD** are dealt with in some detail below. (See also notes 16 and 19, above.)  
 -----

**40]** Hugh **TAYFIELD**, Trevor **GODDARD**, Lee **IRVINE** and Barry **RICHARDS** had very interesting School careers in the D.H.S. 1<sup>st</sup> XI. They all played in the 1<sup>st</sup> XI for more than one season, and although this is by no means unique, as many boys have done so, few have for three or four years, as did **GODDARD**, when he played his first season for the 1<sup>st</sup> XI whilst still a very young 3<sup>rd</sup> Form boy. Their basic performances are listed HERE:

Name	Season	Batting				Bowling

Both Lee **IRVINE** and Barry **RICHARDS** played for D.H.S. in the Natal School's **Nuffield Cricket Week** in 1962. If their performances during the week are ADDED to their School record, THEN their figures for the 1962 year appear thus:

<b>IRVINE, B.L.</b>	1962	28	1570	150	65.42	0	0	0
<b>RICHARDS, B.A.</b>	1962	28	1341	106	55.87	(Bowling statistics not stated)		

On the **S.A. Schools** tour to England, in 1963, Barry **RICHARDS** (D.H.S.) was Captain, and

another D.H.S. boy, M.B. (Bruce) **HEATH** a spin bowler, was also in the team. The great all-rounder M.J. (Mike) Proctor), from Hilton College was also in the side. The S.A. Schools side did very well, winning most of their matches. Barry **RICHARDS** topped the averages, scoring **798** runs at **49.87**, followed by Mike PROCTOR – 579 runs at 48.25. Bruce **HEATH** completed the Tour second in the bowling averages, at **13.09** runs per wicket.

(These facts, figures and statistics – in note 40, are extracted from the D.H.S. School Magazines of the periods.)

---

**41]** Mike **RINDEL** and Dale **BENKENSTEIN** were in the **GOLD MEDAL** winning **South African Commonwealth Games** team, in Malaysia, **1998**. These are the one and only Games to date where O.D.I. cricket was included as a competition in the Games. South Africa won the GOLD medal, beating Australia in the finals. Mike **RINDEL** was the HIGHEST SCORER for South Africa in both the semi-finals and in the final of the competition.

---

**42]** **World and South African O.D.I. partnership RECORDS:** Various D.H.S. boys are involved in some of the leading O.D.I. partnerships in World cricket, for example:  
For the 1<sup>st</sup> Wkt: 247<sup>a</sup> runs. Hashim **AMLA** and Rilee Rousouw. 6<sup>th</sup> in the World; 1<sup>st</sup> in S.A.  
For the 3<sup>rd</sup> Wkt: 247<sup>b</sup> runs. Hashim **AMLA** and Rilee Rousouw, 2<sup>nd</sup> in the World; 1<sup>st</sup> in S.A.  
For the 3<sup>rd</sup> Wkt: 238 runs. Hashim **AMLA** and A.B. de Villiers. 3<sup>rd</sup> in the World; 2<sup>nd</sup> in S.A.  
For the 7<sup>th</sup> Wkt: 114 runs. Mark Boucher and Lance **KLUSENER**. 10<sup>th</sup> in the World; 1<sup>st</sup> in S.A.  
For the 8<sup>th</sup> Wkt: 91 runs. Dale **BENKENSTEIN** and Lance **KLUSENER**. 14<sup>th</sup> / World; 2<sup>nd</sup> in S.A.  
(Notes **a** and **b**: These two partnerships, of the same score – **247** – are merely a co-incidence. **AMLA** with **153\*** and Rousouw with 128 did the feat in the 2<sup>nd</sup> ODI vs West Indies at the Wanderers on 18 January 2015. A.B. de Villiers scored 149 in the same match. The second occasion, and yet another 247 partnership with **AMLA** scoring **133** and Rousouw getting 132 was in the 5<sup>th</sup> ODI vs West Indies at Centurion on 28 January 2015.)

---

**43]** **OTHER NOTEABLE PERFORMANCES in O.D.I. Cricket:**  
Lance **KLUSENER** has taken **5 wickets** in an innings on six occasions. This places him 1<sup>st</sup> for South Africa and 7<sup>th</sup> in the World, all time.

Lance **KLUSENER** scored **54** and took **6/49** vs. Sri Lanka 6 November 1997. He is the **ONLY** South African to get a **50 and 5 wickets in the same O.D.I. match**. He is also 4<sup>th</sup> player ever to achieve this feat and one of only 17 O.D.I. cricketers who have ever done so.

Lance **KLUSENER** (four times) and Richard **SNELL** (once) are only **TWO** of three South Africans ever to have opened both the **BATTING** and the **BOWLING** for South Africa in O.D.I.s. in the **SAME MATCH**. The only other South African to have done this was R.J. Peterson (once).

---

**44]** Hashim **AMLA** is 3<sup>rd</sup> on the World all-time list for the most CENTURIES in a calendar year in ALL FORMS of cricket (Tests/ODI/T20). In the 2010 year **AMLA** scored **TEN** centuries. This places him **FIRST** of all South Africans. Hashim **AMLA** also holds the 3<sup>rd</sup> place for all South Africans, and 14<sup>th</sup> in the World for his **EIGHT** centuries in the 2014 year.

**45]** In the research and compiling of these records and notes, it must be recorded that

it has been difficult to establish authoritative sources for full team representation by SCHOOL, for teams like S.A. U19; S.A. Universities; an S.A. XI; S.A. "A"; various "World XI" / "Rest of the World XI" / "World O.D.I. XI" teams; S.A. "Masters" teams and so forth. There are almost certainly D.H.S. boys who have been in many of these teams, but not recorded here. If any reader has information in this regard, kindly advise the Compiler.
